Mokena business veterans

Three are honored

By Glenn Logan

MOKENA — Some 200 friends and neighbors turned out Saturday night at the Outstanding Citizens Award dinner of the Mokena Chamber of Commerce at which Harold J. Cooper, Alvin Sorensen and Lyman F. Teague were honored.

The dinner was served in the all-purpose room at Lincoln-Way High School with Anthony Dina Sr., presiding. He is president of the Mokena Chamber. It was in his regime in 1962, his initial term as president, that the awards program for outstanding citizens was started.

In the past the presentation of plaques to honored guests were made at the speakers' table, following the dinner. This year the audience went from the all-purpose room to the auditorium. It was there that the awards were given and the speaker, Rabbi Hersman, of Joliet, gave his address. Mayor Will Tuttle, a former president of the Chamber, introduced the speaker and presented the awards.

Harold Cooper, an automobile dealer here for many years, was accompanied by his sister, Mrs. Florence Niethammer, herself a former winner of an Outstanding Citizens Award. His wife, Myrtle, who

was active in the business affairs of Cooper-Hostert Ford Agency died last summer. Since then Mr. Cooper has been in ill health.

In expressing his appreciation for having been selected for an Outstanding Citizens Award he also expressed thanks for the visits and messages received by him during his illness.

Alvin Sorensen, village clerk for 27 years and active that long in basketball and baseball for youngsters in the community and area, and Lyman F. Teague, retired insurance executive, village treasurer, twice a member of the village board, and active in scouting and community affairs, were the other two recipients. Both men were accompanied by their wives. The families of each of the recipients were introduced.

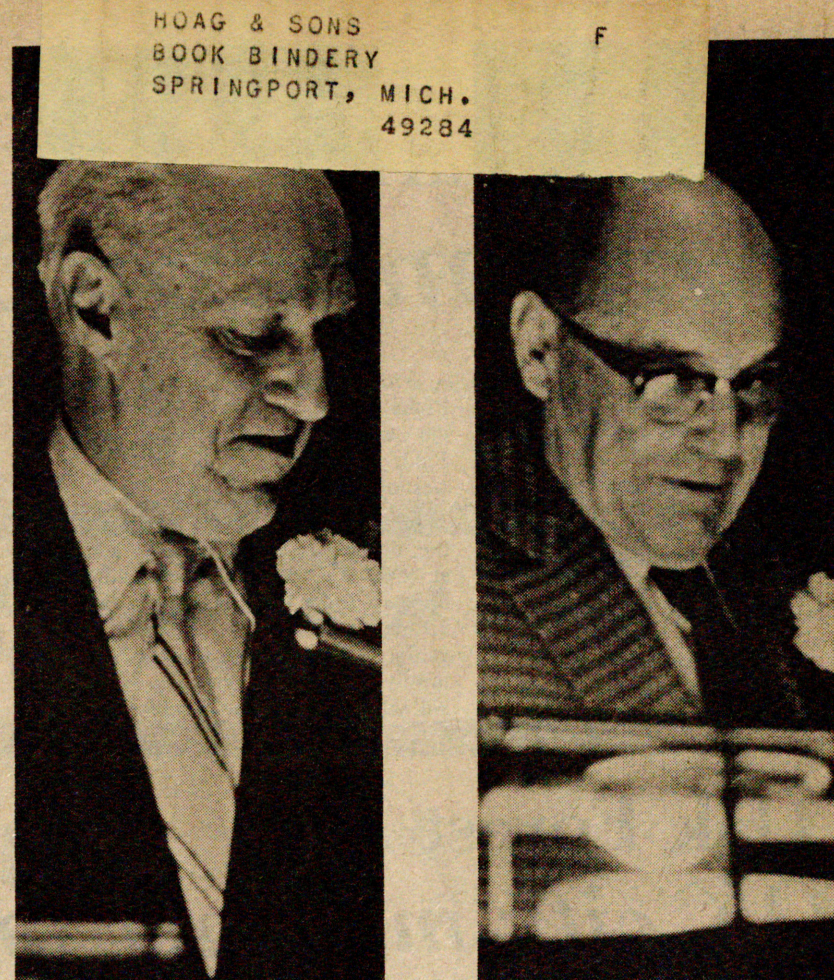

Rabbi Hersman, a talented speaker who has addressed state and national groups, captured the audience at the beginning and held it until he concluded, when he received such prolonged applause that it was an ovation.

He dwelt on community spirit and action, the necessity of working together and of the principles upon which this nation

was built and to which it must adhere if it is to survive. Most of us have heard similar thoughts expressed, probably some of the words were the same. If Rabbi Hersman's talk was reproduced here verbatim your attention might wander and thus not get the full import as done when he hears him.

The rabbi is a voice virtuoso. He can make it dry and precise when quoting statistics, he can make it exciting, dramatic, or ring with a bell tone, he can make it cold, or he can make it warm. He gives life and meaning to words that one does not get from perusing cold ink. He is the kind of a speaker that one could listen to for a long time without tiring and there aren't too many like that.

The invocation at the dinner was given by the Rev. Edgar H. Albers, pastor of Immanuel Lutheran Church, and the benediction pronounced by the Rev. Laslo Hunyady, pastor of St. John's Church. The Rev. Cecil Koop, OFM, former pastor of St. Mary Church in Mokena and now assigned to a parish in Riverton, Ill., which is below Springfield, Ill., who came here for the occasion, said a prayer before the program began in the auditorium.

Frankfort village acts

Water expansion sought

FRANKFORT — The Frankfort village board has decided to embark on a program to improve and expand the village water system. Village engineer Robert E. Hamilton was instructed to draft a report covering the improvements.

Hamilton's report is to include an estimate of costs and list priorities. The program cannot be done all at once but the board wants to get it started as soon as possible.

In the original area of the village the water system dates back about 70 years. The system was expanded in the depression but most of the mains were the four-inch type. Four inch mains cannot presently carry an adequate supply of water. Hamilton

said. In the past two years the village has used 10-inch pipe for major mains.

According to Mayor Glenn Warning a large portion of the water system will eventually have to be brought up to date. There are too many dead-ends, and it will be necessary to establish loops to provide better circulation water circulation, Warning said.

At the request of John B. Anderson, of Land and Real Estate, who is planning a development in New Lenox Township, the village board went on record as unopposed to it. The strip annexation adopted by Frankfort puts the development within the one and a half mile radius of Frankfort limits.

The annexation program, embarked on

by Frankfort to prevent encroachment on its territory, has drawn fire from the Richton Park and the Matteson village boards. The Richton Park board directed its attorney to contest what it terms "Frankfort's invasion" of Cook County.

Richton Park and Matteson regard Harlem Avenue as the western boundary in their long range expansion plans.

At a recent meeting the Frankfort board adopted an ordinance annexing the Penn Central and the Elgin, Joliet and Eastern Railway rights-of-way from Wolf Rd. in Will County to Ridgeland Avenue, in Cook County. Also Harlem Avenue from U.S. 30 to Sauk Trail.

Why Richton Park is opposing expansion now causes some wonderment at Frankfort. Many months ago Frankfort strip annexed U.S. 30 from Wolf Road to Ridgeland Avenue, and Ridgeland Avenue to Steger Road and Steger Road east to the New Lenox town line. At that time no objections were made. The recent annexation was on roads inside these previously annexed boundaries.

The strip annexation question has come up in court at various times. Frankfort's village attorney, August J. Santoro, has told the board on a number of occasions that the legality of strip annexation has been questioned and that municipalities

that have used it rely on a provision in state law that says if an ordinance is not attacked within a year it can expect to stand.

The courts did uphold the City of Chicago in its strip annexation that wound up in making O'Hare International Airport a part of Chicago.

In the course of the board meeting it was voted to purchase a tractor from Martin Implement Co., Orland Park. The tractor, a Ford, comes equipped with a back hoe, plus a front bucket and a price tag of \$7,722.34. There was one other bid, from Moss Equipment, for \$9,000, for a tractor with less horsepower.

The board received a letter from the Frankfort State Bank complimenting the police department for its work. In the letter was a check for \$200 payable to the Police Association Fund as a reward for the apprehension of a forger suspect.

At an executive session of the village board the three top applicants for a full-time patrolman's job were discussed and Wayne Mangun, a member of the part-time or auxiliary force, chosen. Mangun will assume his duties Feb. 1. His presence on the force will raise its number of full-time officers to three full-time policemen. There are approximately a dozen part-time officers on the rolls.

Arbury voters seek Mokena attachment

ARBURY HILLS — The property owners and electors of Arbury Hills have signified their desire to become annexed to Mokena.

Petitions circulated by the Arbury Hills Civic Association show a clear cut majority favoring the annexation move, it was announced by Attorney Zenon Myszkowski, of the law firm of Cirricione, Myszkowski and Block, of Joliet, who is handling the legal phase of the business.

There are 431 signatures on the petitions. These represent a majority of the property owners and voters, as required by law, he explained. The petition will be filed in the Will County Circuit Court this week and a date set for hearing any objections. The objections that may be raised are limited, it was explained. A legal notice setting forth the date of the hearing must be published.

If there are no objections or if the court should overrule any that might be filed, the judge would then enter a decree

to the effect that the area can be annexed. A copy of the decree would be filed with the Mokena Village Board and that body will have the final voice on the matter.

According to observers the subject will be debated long and vigorously before it is finally settled. One of the questions that has been discussed at various times when the annexation of Arbury Hills has come up is what the village would do about the sewer and water system.

Arbury hills sanitary sewer and water service is controlled by a private utility. If Mokena took over the service, it was explained, it would have to purchase the water and sewer system.

Volunteers reelect Falck at New Lenox

NEW LENOX — Members of the New Lenox volunteer Fire Department re-elected Ed Falck as chief for 1972. The action was confirmed by the trustees of the New Lenox Fire Protection District, as required by law.

Officers of the department also were chosen. Charles Ellis was elected president, succeeding Wallace Falck. Harold Hoyt was chosen as vice president and Cecil Baldwin was re-elected secretary. Gene Krohn was chosen as treasurer to succeed Wesley Thomas and Michael Norton was elected sergeant-at-arms.

All officers were installed by John E. Francis, president of the board of trustees at ceremonies in the new fire station on North Cedar Road.

Chief Falck's officers for the year are Stanley Ekedahl, deputy chief; George Ellis and Robert Klausung, assistant chiefs; Kenneth Hossack, Harold Hoyt and Tony Shinner, captains; and William Hoffman and Clarence Lenard, lieutenants.

Capt. Shinner is also fire inspector and investigator for the department.

Chief Falck has eight men enrolled in the firemen's course at Joliet Junior College,

all of whom are in the top part of their class.

Starting this year Chief Paul Becker of the Lisle Fire Department, who is an instructor at the University of Illinois, is training New Lenox rookies for six weeks in firemanship courses. Following that, Capt. Hossack and Lt. Hoffman, who are enrolled at Joliet Junior College, will drill the men each month on what they have learned there.

In 1971 the department fought 40 building fires; 91 grass and rubbish blazes; 19 motor vehicle fires; turned out 18 times to give assistance to neighboring departments, and made 48 inhalator calls.

One of the hottest fires was on a hot day in August when a townhouse went up in flames. Fortunately it was still under construction. Five departments came in with men and equipment to stop that blaze and prevent it spreading.

The New Lenox Fire Protection District purchased a new pumper last year as well as opening the new fire house on North Cedar for service. A new tanker also was purchased last year for delivery in February this year.

Year-long high flunks: report

NEW LENOX — School administrators and school board members of the Lincoln-Way High School area have been given a report by the Lincoln-Way superintendent, Joe Kruzich, on the year-round school program.

"The year-round school is not promoted as a money-saving device," Kruzich told his audience. "We have found out there would be a saving on facilities but fear it would produce increased educational costs, plus an increased per capita cost."

The per capita cost rise could amount to \$33 a year or more, he said. The Lincoln-Way study has Richard Nally, one of the faculty as chairman. Other members are Kevin McGovern, Carol Auping, Norman West, Virginia Bachman, Tom Gustafson, Charles Hinthorne, Sharon Marth and Gene McGovern.

Kruzich explained there was no high school district available where year-round classes are conducted so the committee was unable to see the operation at first hand.

He said there should be a saving on building costs if existing facilities can accommodate greater numbers. Schools would have to be air conditioned, of course, and maintenance problems now taken care of in the summer months would

have to be cared for during the year.

According to the report at Plymouth, Wis., year-round school cost \$258,235 more over a five year period than the nine-month program. "Properly," Kruzich said, "you can only claim savings of construction costs, and hidden costs may be greater than anticipated."

There is a 45-15 plan under which a student attends school 45 days and is then off 15. Then there is the sliding quarter in which there could be a fixed vacation or a sliding one. Another suggested is the trimester. Under this plan two thirds of the students would be in school at the same time, giving a 33 percent increase in capacity.

There are also double shifts, the split shifts and the extended day plans. The double shift would give a six hour day for all students; the split shift would have a two-hour overlap for morning and afternoon groups. The extended day would provide an overlap with middle periods divided in half to provide more time for laboratory work.

State law requires a five-period school day but the North Central Accrediting Association favors a six-period day.

In high schools the year-round program could bring a reduction in extra-curricular activities and that the 45-15 plan could really wreck an athletic program.

Arthur Omland receives scouting's Silver Beaver

JOLIET — Arthur O. Omland, of Mokena, institutional representative of Boy Scout Troop 40 that is sponsored by the Mokena Lions Club, was one of three to receive the high honor of Scouting, the Silver Beaver Award, at the annual meeting of Rainbow Council Monday night, Jan. 24. The meeting was held at Holiday Inn-South.

Omland served as a scoutmaster for 10 years. He has been active in the American Red Cross for a considerable span of time, is a member of the Mokena Park District Board and has served the Mokena Lions Club as president and a director. He is employed by Montgomery Ward Co.

Other recipients of the Silver Beaver Award were George Moody, of Bourbonnais and Thomas P. Pouk Jr., of Lockport.

For the first time a Silver Fawn Award was presented by the Council. This award went to Marie Schore, Bourbonnais.

Pouk, an employee of Reynold Aluminum Co., is vice chairman of Thunderbird district and also committee chairman of Troop 22, sponsored by the PTA of School District 96, Lockport.

Several executive committee board members of the council were presented awards by LaVerne Browne, Council president. One of those so honored was John Harding of New Lenox.

LaVerne Brown, was installed as council president, is the president of Brown & Lambrecht Earthmovers Inc., which has its headquarters in New Lenox Township.

John Harding, industrial relations manager of Northern Petrochemical Co., was installed as council commissioner.

Joseph R. Klein, Scout Executive of the Chicago Area Council, was the speaker. Entertainment was provided by the Joliet West High School Madrigals.

New Lenox well job goes to Wehling Co.

NEW LENOX — Wehling Well Co., of Beecher has been awarded the contract for drilling a new major well at New Lenox as part of its new water system, now under construction.

The well is to be located south of Hickory Creek, west of Cedar Road. According to the terms of the contract the firm has 10 days to set up its equipment and will complete the well in 60 days.

Three bids were submitted in response to advertisements sent out by John Djerf of Robert E. Hamilton engineers, in behalf of the village. There were several contractors who took out plans but did not bid, Djerf told the village trustees at their regular meeting last Wednesday night.

Wehling's bid was \$11,180. The next lowest figure was submitted by Layner Western Co., of Aurora, \$12,765. Highest of the three bids was that of J.P. Miller Artesian Co., of Brookfield, \$15,215. The engineer's estimate for the job was \$13,500.

The village has another major well at the site of the elevated tank on Illinois Highway.

Djerf reported that final sterilization was given the elevated tank last week and Friday it was filled with water. It has a capacity of 150,000 gallons.

An ordinance annexing the Barr property (about 18 acres) along U.S. 30 between the Clark Service Station and I-80 was

adopted by the village board upon presentation of the necessary signatures to the pre-annexation agreement. It has to be signed by William G. Barr, Mrs. Mary Barr West and Richard Barr, all heirs of the late State Sen. Richard J. Barr.

Mrs. West was in South Carolina and Richard was in Dallas, Tex., so some days elapsed before the documents could be mailed back and forth for signatures, it was explained. Park Davis, attorney for the Barrs, explained to the board that he did not get the paper back until last Wednesday afternoon.

In addition to the annexation ordinance the board also passed an ordinance approving C-3 zoning for the property, which among other businesses would permit the operation of a motel.

On recommendation of Lew Loebe, chairman of the Plan Commission, the board instructed Village Attorney Wayne Johnson to draft an amendment to the zoning ordinance deleting the R-4 classification on the grounds that it permits too high a density.

Bids were received on garbage collection from Barnes, Foschi Brothers and C & A, which has had the contract for several years. Village Clerk Marjorie Wajchert is to tabulate the bids so the figures will be available at the next board meeting, Feb. 2.

Monday night board coverage

At Orland Park Board annexes Meade property

ORLAND PARK — Following a brief public hearing the Orland Park village board Jan. 24 recommended accepting the annexation agreement with Meade Electric Company. The agreement provides for the annexation of property on the Southeast corner of 131st street and Southwest Highway, under light industrial zoning.

The action followed a recommendation of the zoning board of appeals which saw no objection to the Class D zoning. The property has been in use for some time as a field operation for Meade, and will continue its present use.

With the annexation Orland Park village limits extend north to 131st street along the east side of Southwest Highway. Palos Country Club is directly to the west of the highway.

In another land matter the board heard the developers of Clearview Subdivision at 9000 W. 143rd st. The builders, who hope to begin erecting models by March 1, were seeking the "Go signal" to develop Unit 1 consisting of 91 single family homes on 29 acres. The homes will sell in the \$38,000-\$50,000 bracket.

The builder, Bee Dee, will eventually

build 254 homes on 100 acres, plus 224 apartment units of one and two bedroom size. The board approved the signing of the plans subject to the builders obtaining easements for off site improvements, and furnishing a letter of credit in the amount of \$571,000.

An ordinance establishing a position of employment known as superintendent of water and sanitation was approved. Eldon Shimek former board trustee was appointed to the post by the board.

Trustee Robert Bibeau reported that the checking of business machine licen-

ses is complete. He said very few discrepancies were found. However, he sponsored a motion requiring all businesses to notify the village clerk's office if they install additional machines after receiving a permit for a business license.

Bibeau also directed the boards attention to the persistent removal of no parking signs along the south of 143rd street from Union east to the railroad. The street and alley committee and the police committee were instructed to investigate the matter.

The village president and clerk were authorized to sign the linen for Catalina Unit 2 in Silver Lake Gardens. Plans had previously been approved, and Catalina president Ted Voss said all improvements are in. The village attorney was authorized to record the plat.

Police Commissioner Gerald Moncett announced that Orland Park will host the South Suburban Chiefs of Police Association at a luncheon Thursday at the Farmer's Daughters Restaurant.

At Oak Forest OK city manager ordinance

OAK FOREST — The board of trustees Monday approved the final draft of an ordinance creating the position of city manager. The board had authorized preparation of the ordinance last October, but an unresolved question regarding the power of a city manager to hire and fire non-elected village personnel had held up the final vote until this week.

The board unanimously approved the ordinance although the question remains unresolved. With a legal ordinance, how-

ever, the board can now begin to seek applicants for the position. It is the boards hope that the powers and duties of the city manager will be further defined as the trustees see fit, and the ordinance amended at a future date if needed.

Bids were accepted from the Walker Lumber Co., in the amount of \$1,620 for installation of smoke detection equipment in the municipal garages, and from the Able Fire and Safety Equipment

Company in the amount of \$10,690 for a Snorkel and pumper hose.

The board also voted to install a stop sign at the intersection of Albert and Victoria Drives after receiving a petition from residents in the area. The police chief and safety commissioner had recommended denial of the request.

The appointments of Don Lombard as chairman of the environmental control commission, and trustee Robert Wheeler as chairman of the business and industrial commission were approved.

At Tinley Park Controls planned for PUD

TINLEY PARK — An ordinance that would control planned unit development in Tinley Park was outlined to village board members Monday night. James Kirk, chairman of the long-range planning commission, read the 25 page ordinance. Kirk said that the ordinance would provide for some control of future development of residential, commercial, and industrial properties, both in the village and in those areas expected to be annexed. Developers wishing to build in Tinley Park will have to go through a series of applications and hearings. A great many criteria are set down for the prospective builders.

Under the ordinance a planned unit development is defined as being "five acres or more, under single or unified control and suitable to be planned and developed." Trustee Pat Rea suggested that business or commercial property be allowed to be less than five acres, but that the figure should stand for residential property.

The density of planned unit development is set at six units per gross residential acre for single-family dwellings. For multi-family dwellings 20 units per gross residential acre are allowed. The ordinance provides for a 20 per cent increase in density, provided there is open space to compensate for the increase.

Trustee Richard Durkin called the ordinance "The culmination of four years work by the long-range planning commission." The board will act on the ordinance at a later date.

In other business the board presented school district 140 with a check for \$13,900. Mayor John Dunn explained that the check came from funds acquired from builders in Tinley Park. A breakdown on the money came to \$50 for each single-family dwelling and \$25 for each apartment unit.

The Blotter

Salesman loses smokes

Tinley Park

Jan. 16 — Numerous cartons of cigarettes and pipe tobacco valued at \$1,119 were reported missing by Larry Fernandes, a salesman for the American Tobacco Company. Fernandes told police he parked his truck in his driveway, at 7648 W. 163rd Place Jan. 15. The next morning he discovered the trunk raised and the cigarettes and pipe tobacco missing. Also missing was his salesman's bag.

Further investigation by Officer L. F. Jogman, revealed the trunk lock had been punched and there were pry marks around the trunk.

Police said the case is open for further investigation.

Jan. 19 — Carl Meyers, 4427 W. Richard, Oak Forest, was treated for leg injuries at South Suburban Hospital after being struck by an auto driven by Roderick E. Kammermann, 255 Oregon, Frankfort, at a parking lot at 17358 S. Oak Park Ave.

Jan. 20 — In an accident involving two drivers at 174th Street and Oak Park Avenue, Allison Bedford, 7234 W. 173rd St., was charged by police for driving too fast for conditions. The other driver was Virginia Czuchra, 17634 S. 65th Ave.

Tinley Park Fire and Emergency Calls

Jan. 14 — A report of a fire under a dashboard of a car owned by James D. Crump, 17367 S. Oriole Ave., was answered by the department. No estimated damage was reported.

Jan. 17 — A child's finger was removed from a hole at the Special Education School, Ridgeland Avenue and Volmer Road.

Orland Park Police

Jan. 14 — Police were called to assist dog warden in removing two cats from the residence of George Brown, 14520 S. Westwood Dr.

Jan. 15 — A refrigerator valued at \$350 was stolen following a forced entry into 15240 S. ElCameno Terrace. Entry was apparently made by kicking in the door.

Jan. 15 — Snow and ice apparently contributed to a car accident between Joseph Albert, 15240 S. Hilltop Drive, and James Terrell of Chicago at 10158 S. Huntington. Terrell was struck in the rear by Albert's car. Total estimated damages were \$550.

Jan. 16 — A building check at Davidson Company showed what appeared to be smoke was apparently snow blowing off the roof.

Police stop youth with knife

TINLEY PARK — A Tinley Park officer escaped serious injury Jan. 18 when a youth attempted to stab him, following a bizarre incident in which resulted in the youth being charged on seven counts.

Police subdued the youth as he attempted to stab Sgt. R.G. Erskin. Amando Gene Mendoza, 20, of 16914 S. New England Ave., was charged with, aggravated assault, unlawful use of weapons, resisting arrest, driving under the influence of alcohol, eluding a police officer, driving on a revoked license and transportation of open liquor in a vehicle.

The incident began when police received information from a citizen that a white 1964 Oldsmobile was being driven by an intoxicated youth westbound on 173rd Place.

Sgt. Erskin and officer W. J. Kosinski set out to pursue Mendoza when they received another complaint of a subject driving a white 1964 Olds trying to pick up two 13 year old girls on 173rd Place.

Information then came through from another patrol car that Mendoza had taken his mother's car.

Erskin and Kosinski then observed the empty car parked at 6920 W. 173rd Place. The police positioned their squads around the car and waited. Mendoza shortly came out from a home, got into his vehicle went over a lawn around the guarding squads, and preceded west on 173rd Place. He was finally stopped by police at 17361 S. 70th Ave.

According to police reports, when Erskin approached the vehicle, Mendoza attempted to stab him with a knife he was concealing under his leg on the seat of his car.

After Erskin removed Mendoza from the car, police said he attempted to strike Officer Kosinski and flee. Once again he

was restrained and finally taken to the station.

Sgt. Erskin removed two open knives with four inch blades and one bottle of Scotch with approximately one ounce of alcohol left from Mendoza's car.

Mendoza is scheduled to appear in Tinley Park Court at 11 a.m. March 8.

HERALD editorial:

The season's over

The sweet corn, tomatoes and pumpkins have long been sold but the homemade sign tacked on the lower portion of a state highway sign still blocks the driver's view at the intersection of Oak Park Avenue and 183rd Street, south of Tinley Park.

Ethics bill only a half measure

It is difficult to be enthused about the new financial disclosure law passed last week by the General Assembly.

After months of wrangling, Illinois legislators finally compromised on a half measure which is all-encompassing of public officials and candidates affected by it, but less zealous in what they must disclose.

The measure includes virtually all elected officials or candidates for office, in addition to state employees earning more than \$20,000 yearly and nominees for positions requiring confirmation by the state Senate.

Generally, it requires that they identify the source of any income in excess of \$1,200 per year, or financial interests in any entity which exceeds \$5,000. The income provision is higher for doctors, lawyers and other professionals who must reveal the source of fees only when they exceed \$5,000 in one year.

As one legislator put it, that means that no payoffs exceeding \$4,999.99 may be accepted without being disclosed.

That provision will also compel

professionals to caution major clients that if their fees for services exceed \$5,000, they will be required to disclose the identity of the client and the nature of the services rendered, which may in some instances be regrettable.

The law does not require that specific amounts of income or financial holdings be revealed — only the fact that they are above the minimums.

While the disclosures will be less than specific, the requirement does place restraints on public officials from extensive involvement with interests that may be questionable.

The major failures of the legislation are that it does not prohibit "double-dipping" — holding two paying government positions — and that it does not require disclosure of the source and amount of campaign contributions.

By refusing to include double-dipping, Chicago Democrats succeeded in protecting a large number of legislators who also hold patronage jobs, and political workers who fill more than one job.

The vested interest of patronage workers in the state legislature assures their support of any legislation favor-

able to the state agencies employing them and their colleagues, and feeds the expansion of governmental bureaucracy.

While the income disclosure provisions place some obstacles before interests seeking to influence legislators, the lack of a campaign-contributions provision preserves a clear path to the lawmakers' pocket.

Any special interest which might previously have been inclined to offer a friendly legislator "employment" may still provide cash contributions without fear of disclosure.

The income disclosure law was passed by a reluctant legislature only after a series of major scandals which shook the confidence of the public.

Those who profess enthusiasm for the legislation declare that this law will restore the confidence.

We doubt it.

The people of Illinois will gain confidence in their elected officials only after a prolonged period free from revelations of race track deals, income tax evasion and out-right embezzlement. They have seldom had the chance.

On Second Thought

The sound of music, or is it?

By Glenn Logan

In reading a recent book by Bruce Catton, noted historian and writer of the American Civil War which deals with General Grant taking command of all the Union forces and leading them to victory, two things were brought that this department had not encountered before relative to the Yankee commander.

One was that he was not the heavy drinker his enemies and legend have made out to be and the other thing was that he was tone-deaf. As a general he had to listen to a lot of band music but never knew whether it was "Yankee Doodle," "When Johnny Comes Marching Home," or the marching song of the Union Grand Army, "John Brown's Body Lies." Being tone-deaf-maybe tone-deaf would better say it has its compensations, especially with modern music. It seems like today the "in" sound must be flat or off-key. Some of it is louder and some is less loud. Being tone-deaf should help. At least a sour note doesn't make one cringe.

One time years ago there was a suit tried in the Will County circuit court, involving alleged derogatory remarks made by one instrument maker about another. I am sorry to say that your correspondent cannot recall just what the remarks were and who made them. But in the course of cross examination intended to show that the witness, one of the principals, didn't know what he was talking about, this question was asked:

"What is the difference between a sound and a tone?"

As they do in the panel shows on TV we'll clue you in. A sound is anything that is or may be heard; a tone is a sound of a certain pitch.

"Hmm," the witness began. "You want to know the difference between a sound and a tone?" The repetition didn't seem

to help him any. He frowned in thought; then his face cleared. "Well," he said in triumph, "a sound, well a sound is a sound, and a tone is a tone!" Some will maintain that rock, for instance, is sound, while others contend there is tone there too.

Is it possible that I am tone-deaf because one piece of rock sounds pretty much like any other and you expect the drummer to take off in full flight any moment.

As for the country music there is tone as well as sound but all of it sounds alike, the lyrics as well as the music, with mortality running high as a result of broken hearts.

Although it is never mentioned it would seem that ruptured tear ducts might be a contributing cause. The principals in these songs are either crying their eyes out or crying their hearts out. So you can

see that if one's heart is broken and then he cries out what is left that he or she will be in a very bad way.

The other leading category of music in which the words and notes are practically alike are the Alma Mater songs of the thousands of colleges and universities in the nation.

It is doubtful that the same person wrote all of them. Probably what happened is that someone heard a glee club bearing down on an Alma Mater piece and said, "That sounds pretty good," and sat down and ran off one for his school, using his school's name, of course, and changing one or two notes in the score.

So in a matter of time every school had an Alma Mater song. If you can't tell one from another, nor distinguish between the country music pieces, or the rock selections, you may be frustrated but you aren't tone-deaf. They are all sound-alikes.

News Briefs

TINLEY PARK — School District 140 will hold its General Election for board members on Tuesday, April 4. There are three vacancies to be filled: two for full three-year terms, and one for one year.

A candidate for member of a board of education must be a citizen of the United States, twenty-one years of age or over, and a resident of the state and the territory of the district for at least one year immediately preceding his election.

Qualified district residents may pick up nominating petitions at the board of education offices in the Fernway Park School on and after Jan. 20. Completed petitions may be filed on and after Feb. 19th through March 13.

TINLEY PARK — The Tinley Park Sertoma Club is honoring John Alesia as "Man of the Year" at their annual service to Mankind Award Dinner to be held at the Orland Chateau, 14500 S. LaGrange Rd., Wednesday, Feb. 9.

Alesia is the legislative director of the United Steelworkers of America. He is being presented this award for his organization work in the field of education, mental health and housing, and for the active role he has taken in Federal Health, Welfare and Retirement programs.

Tickets for the dinner are \$6.50 per person and may be obtained by calling 799-4396 or 376-1342.

Library sets meeting dates

TINLEY PARK — The board of directors of the Tinley Park Public Library, 6871 W. 171st St., have announced 1972 meeting dates. The majority of meetings are held on the fourth Wednesday of each month, but when this date falls immediately before or on a holiday, the meeting is moved to another date.

The 1972 meetings are: Jan. 26, Feb. 23, March 22, April 26, May 24, June 28, July 26, Aug. 23, Sept. 27, Oct. 25, Nov. 29 and Jan. 3, 1973.

Meetings are held at 7:30 p.m. at the library. The public has been invited to attend the meetings.

Notice of special, reconvened or rescheduled meetings will be posted at least 24 hours prior to the meeting.

Election by-laws topic of Westhaven group

WESTHAVEN — Election of association officers was the main topic of discussion at the January Westhaven Homeowners' meeting, held at Orland Center School, 151st Street and 94th Avenue Wednesday, Jan. 19.

Ten by-laws dealing with the election, to take place at the March meeting, were passed by those present at the meeting. The by-laws deal with eligibility, election committee, voting, absentee ballots, election error, and tie votes.

The term of office was changed from one to two years, also the office of sergeant-at-arms will be replaced by recording secretary.

Warren Arnold, a member of the Athletic Committee, discussed the possibility of starting inside hockey and possibly baseball in the spring. Details concerning liability insurance needed for baseball will be forthcoming.

Arnold, a resident of Haven Avenue in North Westhaven, stated that the committee will look into means of raising money for equipment that will be needed for these sports. The Athletic Committee wishes to keep all the activities free to the boys. Arnold also stated that the basketball night held Wednesdays at Orland Center School Gym from 6:30 to 8:30

has had a good turn out. At last week's session about 30 boys participated. The basketball sessions as yet have no permanent coaches. Arnold said it would take at least four sessions to establish teams.

Since there was no December meeting the Christmas Committee report was given by Chuck Bartholomey, association president. Tekton Corp., home builder in the village donated \$350.00, for the program. Four clowns that accompanied Santa passed out candy and toy filled stockings to village children. St. Joseph Orphanage received the stockings that were left over from the program.

A balance to date of \$492.72 was reported by Judy Snyder, treasurer.

Ray Westburg notified the association that the one-year blood assurance program, covering all residents of Westhaven, will run out in April and a new drawing must be held. Westburg volunteered to again work on the blood assurance committee.

Others volunteering to serve on the committee include Beckey Dodaro, Pam Taylor and Bob Paterson. Last year approximately 20 donors were needed, but with the population of Westhaven growing daily, a considerably larger number of donors will be needed to complete the program this year.

PUD preview planned by Crest Hill builder

CREST HILL — The Alexander Construction Co. is holding a special preview showing this weekend for "The Village", its \$15 million residential and commercial planned unit development in Crest Hill.

Four furnished model condominiums now are open for inspection at the community, which is located on Caton Farm Road at Route 30 on the west side of Crest Hill.

The condominiums, priced from \$18,950 to \$22,100, will be grouped into buildings containing either four or five units. The "quad" buildings will contain four units and garages; the "quint" buildings will contain five units, the fifth replacing the garage space.

According to Walter Sebring, Marketing Director for Alexander, the unique combination of residential formats, together with the innovative land-planning, make "The Village" the first development of its kind in the country.

The Village is planned for a wide age bracket in the moderate-income housing market. The developers say that the condominium units are geared primarily for married couples under 30; the townhomes for those under 35; and the single-family homes for those over 35.

Junior women to head 'march'

ORLAND PARK — During the week of Jan. 23 to 31, the Orland Junior Women's Club will be co-ordinating the Mother's March Against Birth Defects for the March of Dimes - National Foundation in the Orland Park neighborhoods.

Club president Mrs. Sheila Sexton as general chairman of the Orland Park chapter of the Marching Mothers and her chairmen Mrs. Mary Bouwsma and Mrs. Ann Arnone urges everyone to give the March of Dimes their support for their all out efforts to prevent and control birth defects.

Thanks to American scientific ingenuity, significant advances are being made, however, birth defects are still a major health problem today. About 250,000 babies are born in the United States each year with significant defects, that's 700 a day . . . or one every two minutes.

It is the goal of the National Foundation to see that every baby in this country receives his birthright of good health. This is being carried out by scientific

research and education of the public. Investigators working under March of Dimes grants are engaged in research in institutions throughout the nation. These scientists are finding out how to diagnose birth defects earlier and how to treat them more effectively, and ultimately how to prevent them from occurring at all.

One of the greatest challenges facing the March of Dimes at present is educating the public about the dangers of a vaccine.

Progress has already been made. More is yet to come. Anyone interested in joining the Orland Park clubwomen in their march please contact Mrs. Bouwsma at 349-0741.

Bishop visits Boniface

TINLEY PARK — The Rt. Reverend James Winchester Montgomery, Bishop of the Episcopal Diocese of Chicago, recently visited St. Boniface Church. Bishop Montgomery was instrumental in forming St. Boniface Church when he was rector of the Church of St. John the Evangelist, Flossmoor.

Bishop Montgomery who was born in Chicago attended Sullivan High School and graduated from Northwestern University. He served as a Lieutenant (j.g.) in the

U.S. Naval Reserve and in 1946, he entered the General Theological Seminary, New York.

He was ordained deacon and priest in 1949 and served as curate of St. Luke's Church, Evanston and then as rector of St. John the Evangelist, until his consecration as Suffragan Bishop. He was elected and installed Bishop Coadjutor in 1965.

Bishop Montgomery is a member of Delta Upsilon and Phi Beta Kappa. He is past

Chairman of the Chicago Conference on Religion and Race, Trustee of General Theological Seminary, Nashotah House, Seabury-Western Theological Seminary and Shimer College. He holds the honorary degrees of Doctor of Sacred Theology, Doctor of Divinity and Doctor of Laws from Shimer College.

During his visit in Tinley Park, Bishop Montgomery confirmed the Confirmation Class and celebrated the Holy Eucharist.

Village prepares

ordinance on strays

TINLEY PARK — Trustee Pat Rea, public service, announced that an ordinance governing stray animals in the village is in the process of being prepared.

According to Rea, the ordinance will be patterned after existing ordinances in Country Club Hills and Champaign.

"The Country Club Hills ordinance is especially interesting because half of it involves the protection of animals from abuse," said Rea. "The other half is centered on citizens' protection from stray animals."

FRANKFORT — Mr. and Mrs. Edwin H. Dralle, Frankfort, will celebrate their golden wedding anniversary Sunday, Jan. 30. Mrs. Dralle is the former Amanda Laukenaw.

The Dralles were married Feb. 1, 1922 in Frankfort. Their sons and families will host an open house from 2 - 4 p.m. Jan. 30, at the American Legion Home in Peotone. All friends

and relatives have been invited to attend.

Mr. and Mrs. Dralle have two married sons and nine grandchildren - they are Mr. and Mrs. Ralph Dralle, who have five daughters, Mrs. Andrew (Sherry) Miller, Judith, Jill, Susan and Becky, and Mr. and Mrs. David Dralle, who have four sons, David Jr., Gregory, Bradford and John, of Monee.

Providence clubs to plan annual dance

NEW LENOX — Plans are now underway for the sixth annual Cead Mile Failte dinner dance sponsored by the Associated Clubs of Providence High School. A kick-off cocktail party for the table captains will commence plans for the gala event.

Chairmen for the cocktail party to be

held at Providence High School, from 8-10 p.m. Wednesday, Feb. 2, will be Mr. and Mrs. Thomas Bourne.

Mr. and Mrs. George Reiter are acting general chairmen of the dinner dance which will be held Saturday, March 25, at the Riviera Lake Club, Orland Park.

Girl charged in kidnapping

ORLAND PARK — Bond was set at \$20,000 for Debby Kroeger, 19, of Bridgeview, for armed robbery and aggravated kidnapping.

At 1:10 a.m. Jan. 20, Ralph Rodeck, an attendant at the Clark Gas Station, 14800 LaGrange Road, was held up at gunpoint and then told to get into the Kroeger car.

The car then drove to LaGrange Road and when Rodeck asked to be released Mrs. Kroeger stated she would let him out at the Farmer's Daughter Restaurant.

After receiving a description of the car Orland Police were alerted, and 45 minutes later Officer Patrick J. Reilly, Jr. apprehended the car at 151st Street and West Avenue.

Rodeck lives at 10223 S. Huntington. The gun was later found to be unloaded. Mrs. Kroeger got only \$7 for her alleged robbery attempt.

Annual meet draws 300

ELMHURST — The 31st annual meeting of the Cook County Homemakers' Extension Association was held at the Elmhurst Country Club, Thursday, Jan. 20, with approximately 300 members in attendance when the meeting started at 9:30 a.m.

After the usual preliminaries, Mrs. Bruce Middleton, membership chairman, Homewood, presented the 'traveling gavel' to the Pilgrim Unit of Park Forest for the highest percentage net membership gain in the past year. This award was doubly important since this was the second consecutive year the Pilgrim Unit has won this award. Mrs. Middleton also presented Blue ribbons to several other Units for a goodly percentage of membership gain.

A red ribbon award was presented to Mrs. James L. Vonesh, publicity chairman of Bremen Unit, for the Bremen 1971 Historical Book. Unit Chairman and General Council member Mrs. Ralph Hayes, as well as Mrs. Victor Pokorny, Mrs. Charles B. Powers, Mrs. Robert Suhs and Mrs. William Darby, all hope that with redoubled efforts the Bremen Unit can bring home a Blue Ribbon in 1972.

Just previous to the luncheon adjournment, Dr. Carl F. Mees, Cook County Extension Association chairman, brought

greetings to the general membership as well as presentation of certificates of service to retiring council officers. These certificates of service are given for each two full consecutive years of service.

"An extremely interesting and fascinating program directly after luncheon was served was given by John Mosiman. Mosiman's versatile musical paintings have to be seen to be truly appreciated," Bremen members in attendance reported.

The next regular meeting of the Bremen Unit will be held at the home of Mrs. James L. Vonesh, 17245 Central Ave., Thursday, Jan. 27, at 7:30 p.m. The major lesson entitled "Wall Arrangement of Accessories" will be given by the Extension Advisor. Women interested may call 532-2027 for further information.

Since the Christmas party early in December several of our members have visited the sick and shut-ins. Mrs. Hazel Schulte, formerly active Advisory Council member, is making good progress after a

second major stroke in the past 10 years. She is ambulatory and mentally alert, but cannot leave the Four Seasons Nursing home on 175th Street.

Mrs. Mary Knott, the only living Bremen Charter member is living at Our Lady of Angels Retirement Home, 1201 Wyoming Avenue, Joliet. She also is ambulatory and considerably mentally alert but unable to write letters. She enjoys personal contact with former friends and neighbors and surprises her visitors with her considerable knowledge of local news.

Mrs. Virginia Seidel, 6614 W. 173rd Place, Tinley Park, underwent major surgery early in December. She is at home and progressing well.

Installation of new officers will be held at the January meeting, as well as distribution of toy doll cut-outs. These are to be completed and returned by the February meeting for distribution at the Tinley Park Mental Health Center. Annual dues are now due.

Why was electric heat installed in Chicago's proudest landmark?

Simple. Chicago's chilling winds and changing temperatures are tough on everything, inside and out—including 102-year-old landmarks like the Chicago Water Tower. So to help protect against these elements, electric heat was installed.

Now, the inside of the Water Tower has a constant temperature and even humidity, protecting the plaster and masonry from further erosion.

Commonwealth Edison is proud to have had a part in preserving the Water Tower as a permanent tribute to the spirit and vitality of the people who rebuilt this city.

Free membership in community club.

The Village Club has an olympic-sized swimming pool on a spacious sun deck with an adjoining kiddie pool. There are men's and women's dressing rooms inside the clubhouse along with a billiard room, card room, teen room, a fully-equipped kitchen and lounges for formal and informal get-togethers.

There is no membership fee for any of these facilities. They belong to you as a resident of The Village and the cost of maintaining them is a shared expense that works out to a small monthly charge for each family.

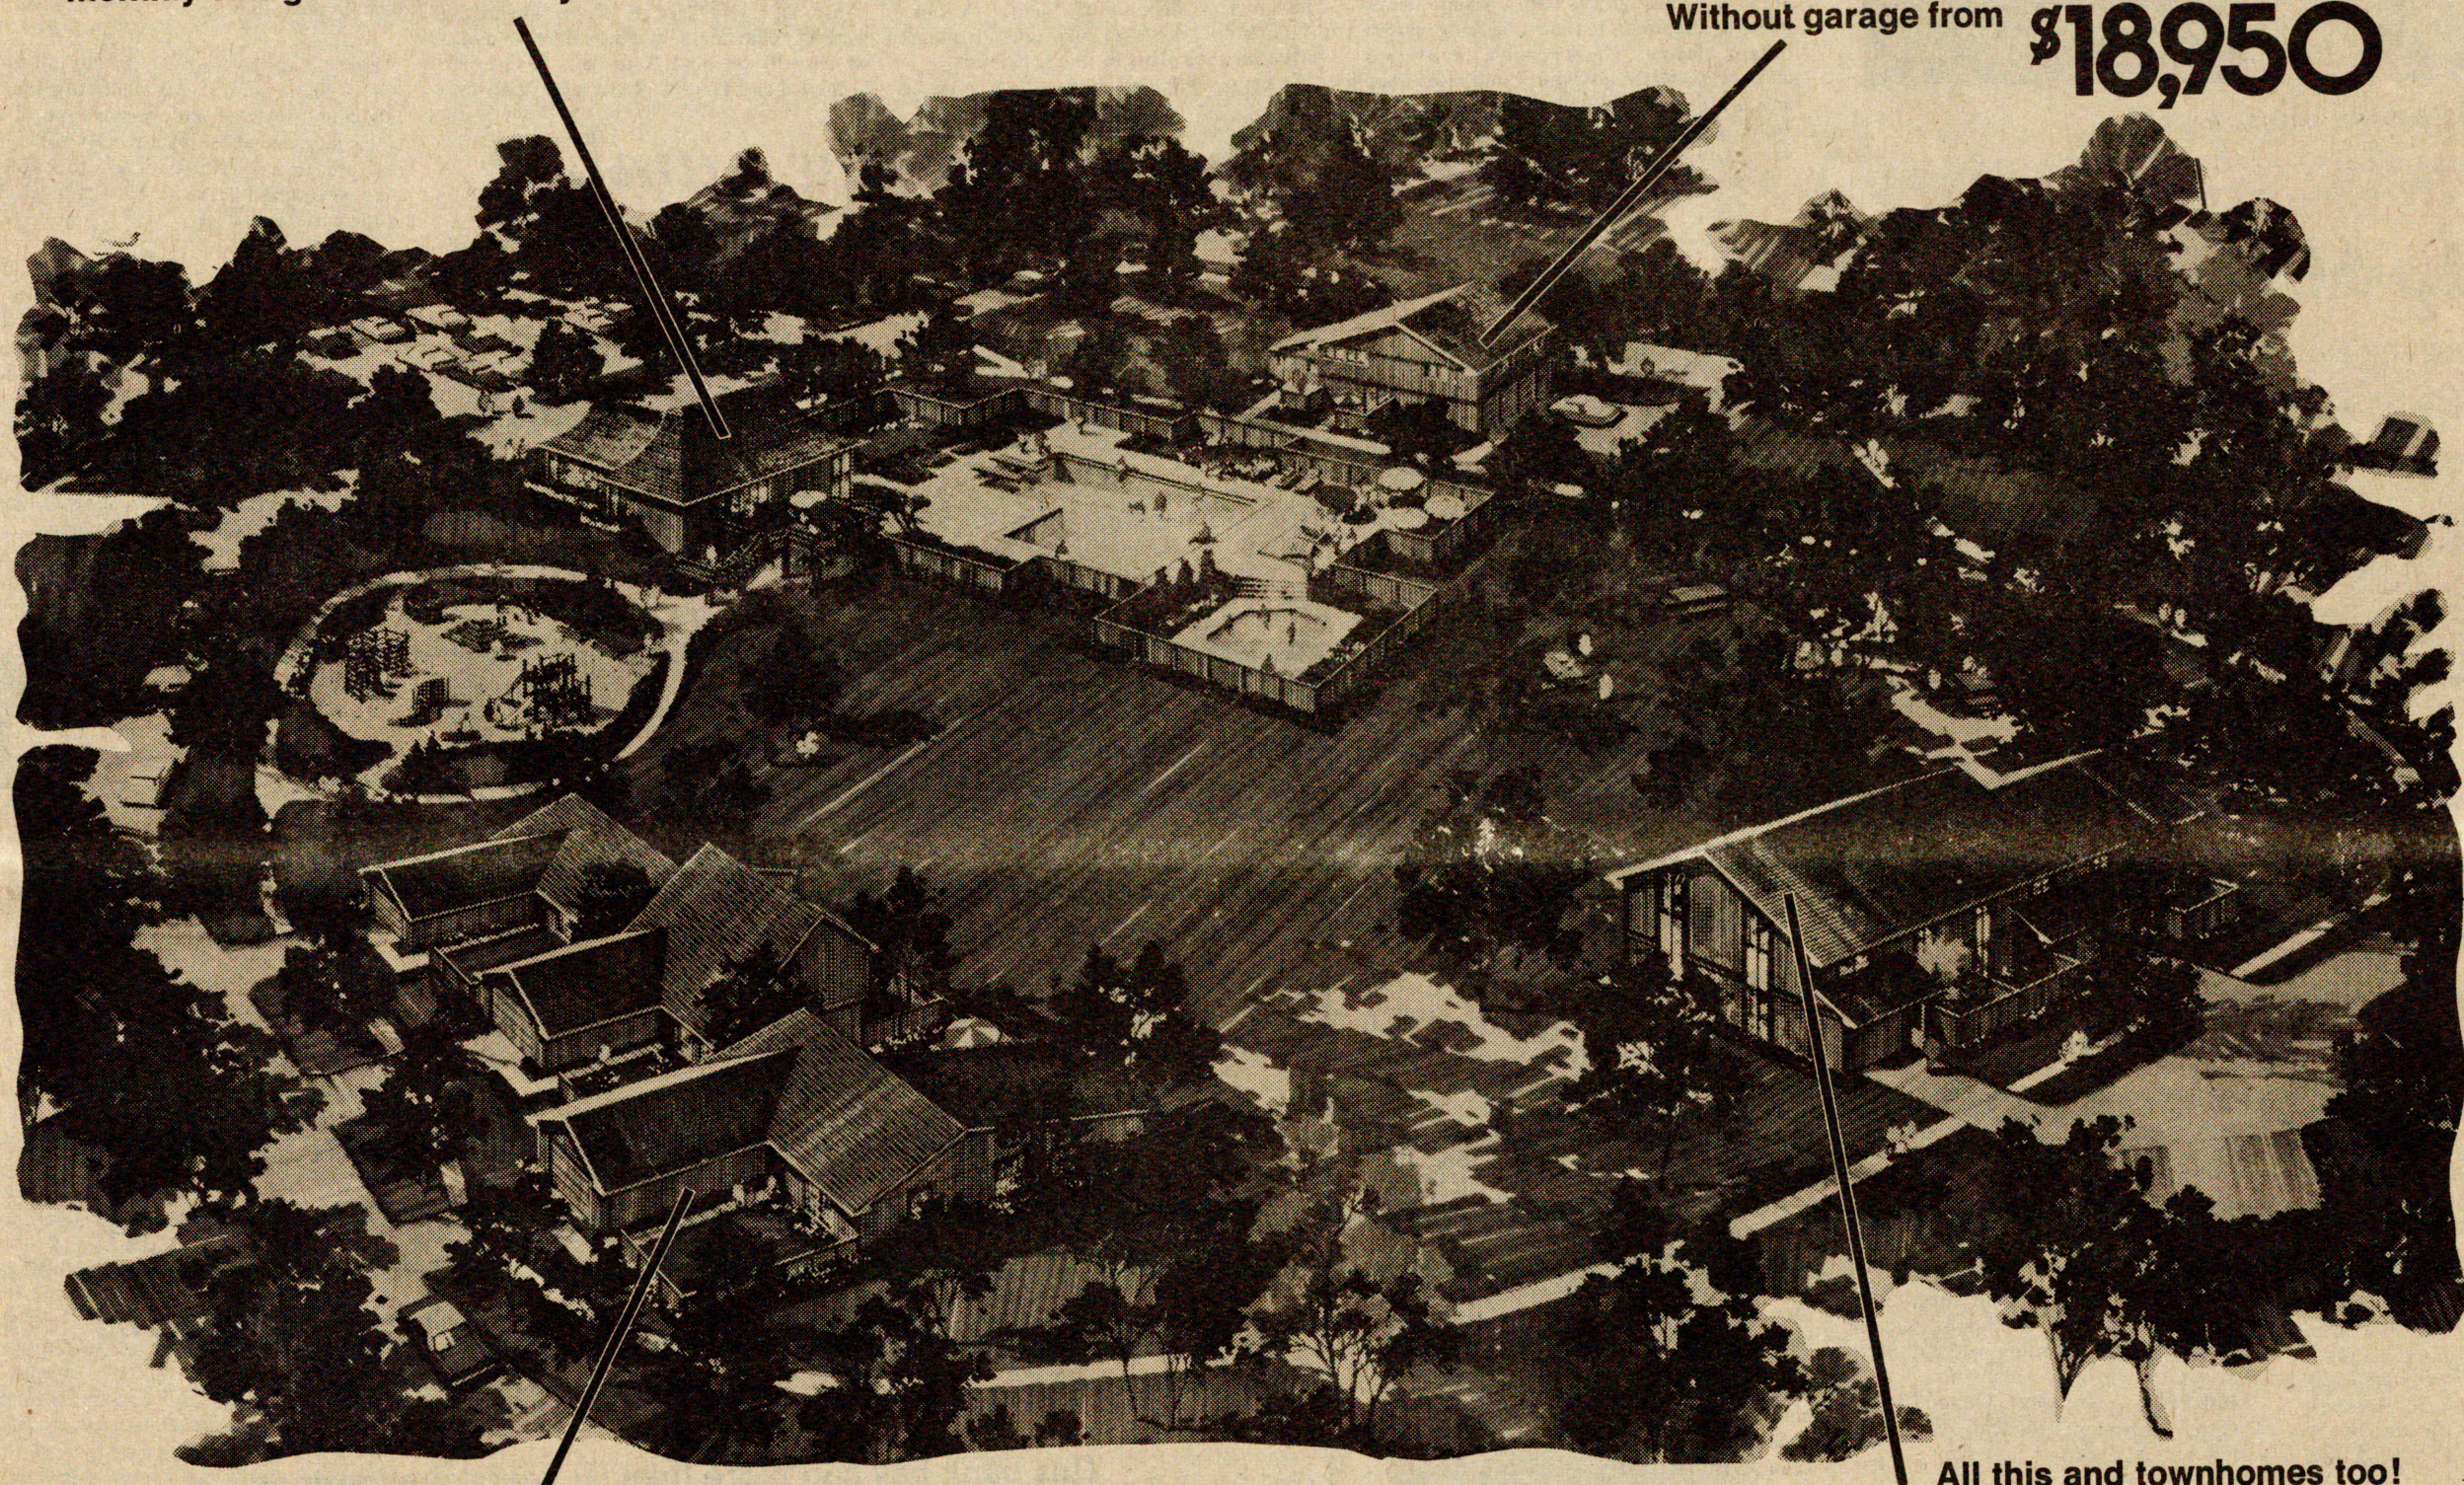

Quad-homes open for inspection today.

Here's your chance to get in on the ground floor of the condominium boom. This dynamic new form of real estate ownership enables you to enjoy the flexibility and freedom of apartment living while you get all the marvelous benefits of homeownership. Your small down payment is no larger than a security deposit, and practically every penny you pay monthly comes back to you in the form of tax deductions or equity build-up.

No wonder renting will soon be obsolete!

Two bedroom homes with garage priced from just \$19,950.

Without garage from **\$18,950**

A totally new kind of private home.

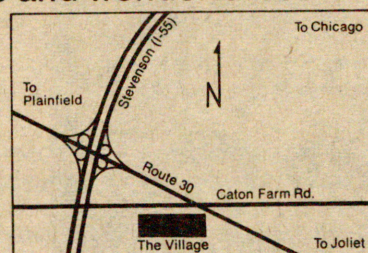

Garden Homes in The Village will be traditional single family residences designed in a new and excitingly sensible way. Instead of surrounding your home with a lot that wastes precious land, your home surrounds your lot—turning it into totally private outdoor living space that's completely usable and so easy to maintain.

All this and townhomes too!

The Village's Patio Town Homes will be today's version of history's most sophisticated style of residence. All the elegance of an urban town house is yours in these architecturally unique homes—each with its own garage and private, enclosed patio.

All have a family room and some have dramatic indoor balconies. Best of all, your Town Home isn't in a giant complex of look-alike units. In The Village, it's one of many different types of homes spaciouly set out in the midst of a beautiful park.

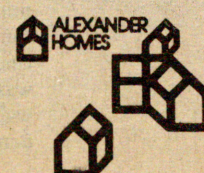

There's nothing like The Village in all America. It's a look into the future of housing . . . a future that gives you a home of your own for less than rent . . . a chance to build equity in a carefully maintained community of increased property values . . . a community that includes broad expanses of professionally landscaped open space and wonderful recreation facilities that are yours to use and enjoy. Be among the first to get a look at the future this weekend. The Village is conveniently located close to schools, shopping and a wide range of fun things you like to do. It's five minutes from downtown Joliet and just forty-five minutes from downtown Chicago in the city of Crest Hill. The Village is on Caton Farm Road and Route 30 (Plainfield Road). From Chicago take the Stevenson (I-55) to Route 30 and exit south to Caton Farm Road. Furnished models are open for inspection daily from 10 to 6, Sundays from 10 to 7.

MR. AND MRS. WILLIAM BUNTING

Wed in candlelight service

WORTH — In a candlelight ceremony, Linda Lou Fischer, Orland Park, became the wife of William Kenneth Bunting, Palos Heights, Dec. 18, at St. Mark Evangelical Lutheran Church, Worth. The Rev. W.A. Ledogar of Christ Lutheran Evangelical Church, Orland Park, and the Rev. W. Koetz of St. Mark Lutheran Church, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Victor W. Fischer and the groom's parents are Mr. and Mrs. William G. Bunting Jr.

Mrs. Jean Archambault was the organist and Wayne Doverspike, the soloist, who sang "Wedding Prayer," "The Lord Is My Shepherd," and the "Lord's Prayer."

The bride, escorted to the altar by her father, wore a floor length gown of white velvet with seed pearl loop and braid trim at the high neck. The "Camelot" leg o' mutton long tapered sleeves were also accented by the seed pearl trim at the top of the "puff" and closing with tiny pearl buttons at the wrist.

The pearl loop trim also accented the empire waistline and the A-line skirt fell into a beautiful attached chapel train.

Cathedral length illusion veiling attached to a Juliet cap of white velvet completed the bride's ensemble. She carried a bouquet of White phalaenopsis and stephanotis with red garnet roses and white velvet streamers.

Mrs. Barbara Walsh and Mrs. Janice Fischer, the bride's sisters-in-law, served as matrons of honor. They wore long emerald green velvet gowns with a square neckline, an empire waistline and long cuffed bishop sleeves. The neckline, waist and cuffs were accented with candlelight lace and thin gold braid. Their headpieces were Juliet caps covered with emerald green velvet and attached hip length veiling. Bridesmaids were Mrs. Karen Latuska,

Miss Donna Coy and Mrs. Judith Listman, sister of the groom. Miss Sheryl Schmaedeke, cousin of the bride, and Miss Virginia Bunting, sister of the groom, served as acolytes as well as junior bridesmaids. They wore gowns styled as the matrons of honor of ruby red velvet. They carried colonial bouquets of white carnations, red garnet roses, holly, pine cones, gold balls and long white velvet streamers.

The mother of the bride wore a long

shirtdress gown. The bodice and bishop sleeves with upturned cuffs were of light orchid satin and the skirt was a deep purple velvet. She wore matching accessories of deep purple.

The mother of the groom wore a long A-line gown of royal blue velvet with long bishop sleeves, an empire waistline and a high neck with a keyhole opening, and matching accessories. Both wore cymbidium orchids.

John Ferro served as the groom's best man. Groomsmen were Edward Fischer, brother of the bride, and Robert Listman, brother-in-law of the groom. Paul Schmaedeke, cousin of the bride and Steven Kleinfeldt served as ushers.

Following the ceremony, a reception was held for 250 guests at the Riviera Lake Club, Orland Park.

The new Mr. and Mrs. Bunting honeymooned for five days at the Playboy Club, Lake Geneva, returning in time to spend Christmas with family members.

The couple is temporarily making their home in DeKalb where the groom was a student. He will leave to begin basic training in the National Guard in February. Mrs. Bunting completed her training as a radiologic technologist last October.

Providence clubs to plan annual dance

NEW LENOX — Plans are now under way for the sixth annual Cead Mile Failte dinner dance sponsored by the Associated Clubs of Providence High School. A kickoff cocktail party for the table captains will commence plans for the gala event.

Chairmen for the cocktail party to be

held at Providence High School, from 8-10 p.m. Wednesday, Feb. 2, will be Mr. and Mrs. Thomas Bourne.

Mr. and Mrs. George Reiter are acting general chairmen of the dinner dance which will be held Saturday, March 25, at the Riviera Lake Club, Orland Park.

Sorry, wrong number

MOKENA — If you are one of the persons who tried to reach us by telephone last Thursday and failed, it wasn't because we weren't in the office...our new office, by the way, which is around the corner in Unit 5 in the same building as our former office.

We were here, and can produce witnesses to that effect if necessary. We just didn't have telephone service. Why we didn't have telephone service is quite simple. Last Thursday morning, you may recall was the time we had the freezing rain. Area schools were closed because buses couldn't negotiate the secondary roads. It is too bad that a big truck that

circumnavigated the building in which our office is located failed to negotiate the first rise. But it did and continued to slide and slither its way around the building and out on Wolf Road again.

On one of its slides, or maybe it was a slither, it caught a telephone cable and fetched it down. It seems that without the proper wires telephones don't work anymore.

And as luck would have it, we were plumb out of carrier pigeons so our communication with news sources was at a standstill. Around mid-afternoon service was restored.

It was a long day.

Housewives can take off pounds at Y

JOLIET — Area housewives are invited to join the group at the Joliet YMCA and take off some of those extra pounds and firm up those muscles.

Every Tuesday through Friday morning 9:30 - 10:30 women participate together in reducing exercises and various sports including gymnastics, paddleball, volleyball and archery. At 10:30 - 11:15 the women take swimming lessons, becoming skilled in the various strokes.

Monday morning is the advanced class from 9:30 - 10:15 for the swimmers wanting work on specific strokes, diving and endurance. Water ballet classes are also Mondays from 10:15 - 11:15 or Tuesday evenings 9 - 9:45. These classes are beginning to work on routines for the spring show at the Y. Swimnastics class offers a different and fun way of reducing and staying in shape. Exercises are done utilizing the water for resistance in movement.

An opportunity to begin or improve tennis skill is given 1:30 - 2:30 p.m. Fridays, beginning on Jan. 21.

Now, what's his name?

Apparently it is that time of the year again.

Award Night. All members invited. Bring a guest.

That's right, fellas. Bring a guest. And who is the usual guest? A wife is the usual "guest."

Now, these evenings are just great IF you happen to be a member. But, if you are a "guest" whose biggest accomplishment in the last fifteen years has been a six-course picnic lunch for the neighborhood

kids, these award nights can be somewhat belittling.

Why? Because men give awards to men. Oh, once in a while some outstanding woman with genius mentality is honored but the rest of the "guests" simply remain a nondescript "tag-a-long" following, "and now I would like to introduce Joe Anderson, chairman of Hot Dog Day, chairman of the Balloon Bursting Contest, chairman of the committee to form the committee to nominate the committee in

charge of Committee Night, and last but not least, his lovely wife, — ummm what's her name?"

How embarrassing for a "guest."

How many "guests" love, just once, to hear an introduction like this:

"And now I would like to introduce . . . (dreamers may insert own name here) Mother of the Year for the village of . . . (insert name of hometown) Homemakers of the Year for the township of . . . (insert name of home township) Seamstress of the Year for the county of . . . (insert name of home county) and Chef of the Year for the state of . . . (insert name of home state) and last but not least, the gorgeous, beautiful, intelligent, charming wife of, — ummm, what's his name?"

Homemakers meeting set for January 27-28

CHAMPAIGN-URBANA — The Illinois Homemakers Extension Federation Annual Meeting will be held Jan. 27-28 in Champaign-Urbana, Ill. The annual business meeting, a special banquet and workshops will be featured during the two day meeting. "Broadening our Horizons" is the theme for 1972.

Lt. Col. Gerald P. Carr, a NASA Astronaut will be one of the speakers. Loretta Conden, assistant administrator in the Extension Service at Washington, D.C. will discuss the theme at one of the sessions. Members of the Will County Homemakers Extension Council planning to attend are Mrs. George Sangmeister, Mrs. Seveno Leggero, Mrs. Ivan Archibald, Mrs. William Bettenhausen and Mrs. Norman Strassenburg.

FRANKFORT — Mr. and Mrs. Edwin H. Dralle, Frankfort, will celebrate their golden wedding anniversary Sunday, Jan. 30. Mrs. Dralle is the former Amanda Laukenaw.

The Dralles were married Feb. 1, 1922 in Frankfort. Their sons and families will host an open house from 2 - 4 p.m. Jan. 30, at the American Legion Home in Peotone. All friends and relatives have been invited to attend.

Mr. and Mrs. Dralle have two married sons and nine grandchildren — they are Mr. and Mrs. Ralph Dralle, who have five daughters, Mrs. Andrew (Sherry) Miller, Judith, Jill, Susan and Becky, and Mr. and Mrs. David Dralle, who have four sons, David Jr., Gregory, Bradford and John, of Monee.

Mokena gets final check

MOKENA — The Village of Mokena has received the final insurance check covering its loss as a result of the fire of the sewage treatment plant on Wolf Road last summer.

Village Treasurer Lyman F. Teague received a check last Saturday for \$29,499.85. Previously the insurance company advanced \$5,000 to the village, so with the check last weekend the total settlement comes to \$34,499.85.

This covers all the loss, Teague said, and it will not be necessary for the village to make use of any of the sewer and water funds. It was at first believed the loss would run around \$75,000 but when restoration was begun it was found that most of the walls were good and there was a lot of work done by village employees.

Providence coach selected for honor

JOLIET — A New Lenox teacher, Patrick J. Sullivan, 28, basketball coach and teacher at Providence High School, received the Outstanding Young Educator award at the annual awards banquet held Thursday night by the Joliet Jaycees.

Sullivan, who resides at 600 Kungs Wat, Joliet, has been responsible for organizing the "Save Our School" fund-raising campaign for Providence High for the past three years. The school has benefited to the extent of \$102,000 as a result.

Sullivan described the project as a worthwhile experience for students because it encourages them to work for a school they believe in.

He was nominated by his principal, the Rev. Roger L. Kaffer. "Pat Sullivan," Father Kaffer said, "is a most highly respected and extraordinarily successful educator. His sterling sincerity is coupled with complete dedication, truly professional

preparations and performance and an unbelievable concern and respect for each individual person."

Sullivan is a graduate of Lewis College and received a master's degree in educational administration and counseling at the University of Indiana.

Recipient of the Outstanding Young Man award is David A. Krakar, 32, a partner in the manufacturing firm of M. Krakar Co. at Joliet. He was president of the Jaycees in 1967 and has been active in its works for many years. He serves on the Joliet Community Relations Committee and currently is its education division chairman. He was chairman of the Sabin Oral vaccine program in Will County and was the principal force in developing the "Keep Joliet Beautiful" campaign.

State Sen. George O'Brien was the principal speaker at the awards banquet.

Bishop Montgomery, Chicago, visits with Daniel Sumner, Mrs. John Byrnes, Roanne Reed and Michael Kulowitz, during his visit at St. Boniface Episcopal Church.

Bishop visits Boniface

TINLEY PARK — The Rt. Reverend James Winchester Montgomery, Bishop of the Episcopal Diocese of Chicago, recently visited St. Boniface Church. Bishop Montgomery was instrumental in forming St. Boniface Church when he was rector of the Church of St. John the Evangelist, Flossmoor.

Bishop Montgomery who was born in Chicago attended Sullivan High School and graduated from Northwestern University. He served as a Lieutenant (j.g.) in the U.S. Naval Reserve and in 1946, he entered the General Theological Seminary, New York.

He was ordained deacon and priest in 1949 and served as curate of St. Luke's Church, Evanston and then as rector of St. John the Evangelist, until his consecration as Suffragan Bishop. He was elected and installed Bishop Coadjutor in 1965.

Bishop Montgomery is a member of Delta Upsilon and Phi Beta Kappa. He is past Chairman of the Chicago Conference on Religion and Race, Trustee of General Theological Seminary, Nashotah House, Seabury-Western Theological Seminary and Shimer College. He holds the honorary degrees of Doctor of Sacred Theol-

ogy, Doctor of Divinity and Doctor of Laws from Shimer College.

During his visit in Tinley Park, Bishop Montgomery confirmed the Confirmation Class and celebrated the Holy Eucharist.

Volleyball games are played on Tuesday evenings 8 - 9.

A sleek and slim class beginning Jan. 12 will be offered. Take off some of those extra pounds on Wednesday evenings. This class is a 10-week weight reduction and figure reshaping program.

District sets goals

FRANKFORT — The Frankfort Park District board, which recently elected officers for the coming year, also has outlined its goal for 1972.

James Glunz was elected president; Margaret Gix is to serve as treasurer and public relations chairman; Wilbur Hossbach is in charge of building and grounds; Ronald Olson is to direct planning and site development and Janet Page will serve as secretary and recreation director.

Park board meetings are held in the Frankfort Public library. The regular board meetings are held the second Tues-

day of each month. They are open to the public. The fourth Tuesday evening is used for committee meetings when necessary.

The five goals for the current year are: Development of the existing community park.

Selection and development of future park sites.

Providing playground equipment for present facilities.

Program planning with professional assistance.

Environmental improvements at Community park through the planting of trees and shrubbery.

Deadline for stickers

The three villages of the area, Mokena, Frankfort and New Lenox, are again reminding their residents that the time is not far off when it will be more expensive not to have a village vehicle sticker than it is to buy one now. The tags are on sale at the three village halls.

Earliest date for display of a 1972 village vehicle sticker is Feb. 1, at Frankfort. Until that date the fee is \$5 for cars and \$3 for a dog license. After Feb. 1 the vehicle sticker will cost \$10 and the dog license \$6.

At New Lenox the deadline for getting vehicle stickers is Feb. 14. Until that date the price is \$5 for a car and \$10 for a truck.

Beginning Feb. 15 the fee will be double those amounts. Applicants are to bring in their state registration cards, advises Village Clerk Marjorie Wajchert.

At Mokena the deadline for buying vehicle stickers is Feb. 15. The stickers are to be on display on the cars by that date, it was announced. The price of a sticker is \$5 for car, truck or motorcycle. The price will be the same after Feb. 15 but after that date police will issue arrest tickets to non-comformers. Those found guilty will have court costs to pay and a probable fine. The minimum fine is \$5, according to the village ordinance.

New face for board

MOKENA — When the Mokena Grade School board meets tonight (Jan. 26) it will appoint a member to succeed Norman Patterson, Revere Road, who is resigning because a change in his working conditions will make it impossible for him to attend board meetings, it was announced by Supt. James Ennis.

His successor's tenure will end April 8, the date for the regular school election. Two persons are to be elected for full three-year terms and one for the one year of Patterson's unexpired term. Nominating petitions may be obtained at the District 159 office, between 8:30 a.m. and 4 p.m.

The same hours will govern the filing of petitions. First date for filing is Feb. 23 and the last day is March 17.

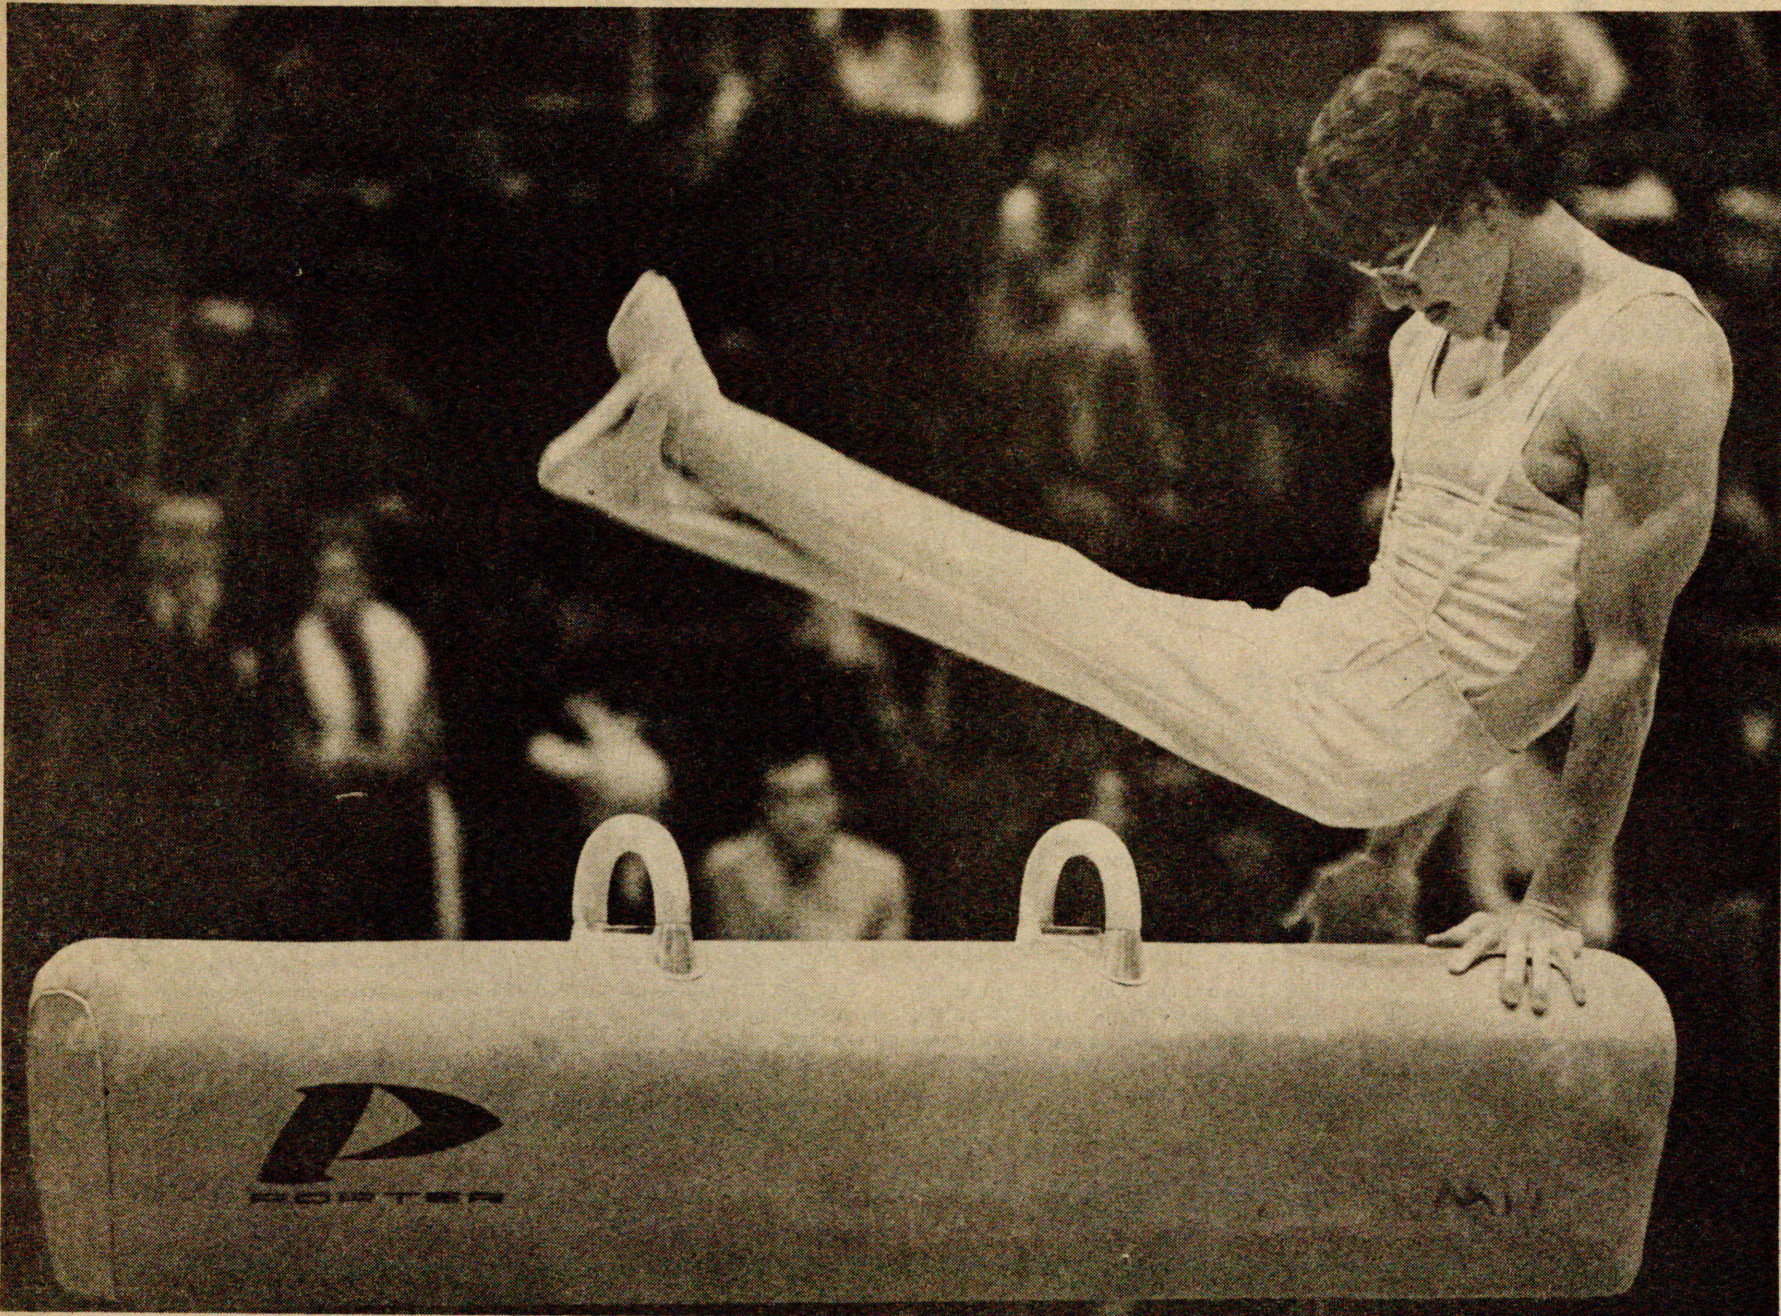

Heart chairman

JOLIET — Eugene N. Malone, executive secretary of the Will County Farm Bureau, 2810 Sheffield Dr., New Lenox, has been named the 1972 Heart Fund chairman for the City of Joliet, it was announced by Maynard Boudreau, county heart fund chairman.

The annual heart fund campaign will be conducted in February.

A native of Ford County, Malone has served as executive secretary of the Will County Farm Bureau since 1958. Malone is a graduate of the University of Illinois and served two years as an officer in the Field Artillery. He began his career in farm organization work with the Illinois Farm Bureau at Macomb.

He is a former president of the Parents Club of St. Jude Church, New Lenox.

Gene Warner displays winning form on the side horse. Warner is one of the top gymnasts on the Lincoln-Way High School team. The Knights are one of the few area schools to compete in gymnastics on a varsity team level.

Lincoln-Way win double-dual meet

NEW LENOX — Lincoln-Way won its own dual wrestling meet Saturday against Morris and Joliet Catholic. The Knights had an easy time of it with 75 points, compared to 35 for Joliet and 34 for Morris.

Dean Hobson, Russ Raiser, and Mike Hobson paced the Knights. Hobson won twice at 112 pounds as did Mike Bachmann, and Raiser with a 16-3 record at 132 pounds beat Paul Loschneider of Joliet, who had gone into the meet with only one loss.

Jim Skintotes at 98-pounds, and Scot Weiclaw at heavyweight also won twice in Saturday's action. The Knights host Reavis, Jan. 28, at 7 p.m.

NEW LENOX — All alone, on top, that's where the Lincoln-Way basketball team is today. The Knights beat Southwest Conference foe Carl Sandburg, 73-62 Friday, and thanks to an assist from Rich East took sole possession of first place.

The Rockets rocked Homewood, 66-55, to knock the Vikings out of a first place tie with Lincoln-Way.

Terry Ryan, the areas second leading scorer paced the offense against Sandburg with 27 points. Lincoln-Way is now 9-3 for the season, and 7-1 in league play.

Coach Brad Bounds was unhappy with his teams defensive performance. Bounds termed his defense lousy, as the Knights allowed the Eagles to stay in the game until the final quarter.

Lincoln-Way shot well from the field

Titan tankers lose twice

TINLEY PARK — The Tinley Park swimmers put up two strong battles last week, but lost a pair of outings. The Titans lost 58-37 to Thornton Fractional South, and 55-39 to Hinsdale South.

The Titans now 1-9 for dual meet action won five events in both meets. Against Hinsdale the medley relay team of Bill Hanson, Fred Flor, and Bill Guilfoyle and Paul Ercius won. Guilfoyle won the 100-yard butterfly with a time of 1:01.4, and Flor won the 100-yard breaststroke with a time of 1:08.4. Jeff Muys was the individual medley winner in a time of 2:19.3, and Dave Nolan captured diving honors.

Against Thornton Muys won the 200-yard freestyle in 2:07.4, and Guilfoyle was the 100-yard butterfly winner in 1:00.7. Ercius turned in a 100-yard freestyle win of 55.7, and Muys was first in the 400-freestyle in 4:31.0. Flor was first in the breaststroke in 1:10.5.

The Titans close out their dual meet season this weekend. Friday they host Thornton Fractional North at 4 p.m., and Saturday meet Bloom at 1:30 p.m., at Bloom.

with 31 out of 51 for a strong .608 mark. The Knights trailed 13-12 at the first quarter and were ahead only 33-32 at the half. Ryan set the pace in the second quarter with five straight baskets, and the Knights as a team hit 9 of 11 in the quarter.

With less than a minute to play the Eagles took a 52-49 edge in the third quarter but a Ryan's tipin in the final three seconds made the score 52-52.

On the mats

Joliet rocks Tinley

JOLIET — Joliet East's unbeaten wrestlers crushed Tinley Park 40-10 Saturday. Joliet has a 12-0-1 record. Tinley is now 10-3-1 for the season.

The Titans earlier in the week stopped Thornton Fractional North 32-18, for a 4-1 mark in the Southeast Conference. Tinley is in second place in the conference behind Hillcrest, a 29-20 winner over the Titans this season.

The Titans have two more meets remaining and must win both of them if they are to match their previous high of 12 mat wins.

Joliet opened things with a pin of Bill Mendannez at 98-pounds. Tom Brosius, one of the best in the area at 105-pounds, beat Rick Perez, 8-5, making only the second Perez has lost this season.

Mel Sneddon was a pin victim at 112, and Frank Mower lost 5-0. The Titans had to forfeit at 126, and Randy Regan was a 7-6 loser at 132. Rick Zolner was beaten 3-0 at 138; and Bill Frankenberg, lost a close 1-0 decision at 145.

Sports are free

ORLAND PARK — Carl Sandburg will no longer charge admission to home meets in the sports of swimming and wrestling this year. The board of Education District 230 dropped the admission charges in hopes of increasing attendance for events and gaining fan support. The swimmers are undefeated in conference with hopes of a title while the wrestlers have been very impressive in recent showings including a second at the 16 team Rich Rocket tournament.

A four and a half minute cold spell in which the Eagles failed to score in the final quarter enabled Lincoln-Way to pull ahead to stay. The Knights who usually have a big edge on the boards won the rebound battle 29-22.

Friday the Knights face a tough task when they travel to Park Forest to play Rich East at 8 p.m.

Knight gymnasts lose in final event

PARK FOREST — Rich East won the final event of the night, the still rings to edge Lincoln-Way 99.60-91.40 in a gymnastics meet.

It was the first Southwest Suburban foe for the Knights who are now 0-1 in the league and 3-5 for the season. The only Knight victories came with Gene Warner on the side horse and Mike Ward on the high bar.

Jay Clark finished behind Warner on the side horse and Mark Maxwell was second on the high bar. Pete Smith took a second in the free exercise event, and Mike White was second on the trampoline.

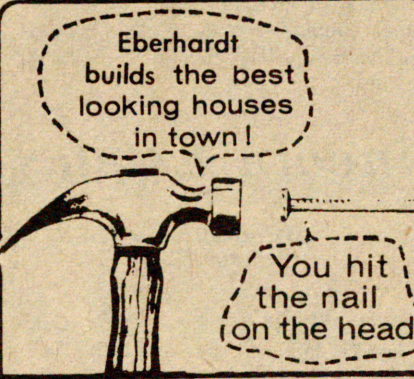

Ward, besides his high bar win took a second in the parallel bars. Friday the Knights travel for a meet with Oak Lawn at 7 p.m. Saturday they host Rich Central at 1:30 p.m.

Bowling Standings

OAK FOREST — A bowling seminar with special introductory offer for non-bowlers or beginners is being planned by Oak Forest Bowl, 15240 S. Cicero Ave.

The event, which will include bowling instruction, movies, exercises, demonstrations by bowling pros, luncheons and free baby-sitting, will get underway Monday, Feb. 14.

The event will be held each Monday afternoon from 12:30 to 3 o'clock. Registration will be held on Wednesday and Thursday only, Jan. 26 and 27, Feb. 3 and 4, and Feb. 10 and 11 from 10 a.m. to 3 p.m. Those wishing more information are requested to call 687-2010.

A Thought To Remember

BY BOB HIRSCH

The Berlin wall of shame will forever be pictured in history with horror. The barricade of stone, barbed wire, electrified and mined, was designed not only to keep people from getting in or out of east and west zones, it was also built to curtain the minds of people. It succeeded in restricting travel. It failed to suppress the instincts of men. No such wall can suffocate a soul or prevent enlightened ideas from breaking through.

This is a lesson from history some people in our midst should remember. They are trying to build verbal walls to suppress individual freedom. They want the right to be heard on their side of the wall but refuse the right of others to be heard on the other side of the wall. They want to create their own walled-in domain to house their demands. Our national attitude of permissiveness that allows hecklers to shout loud catcalls and obscenities at public officials needs a change. Celts bounce back
against Illiana, 65-55

LANSING — Providence, despite its lack of size on the basketball court has been holding its own this season. The Celts are 8-8 for the season, and 4-4 in their first season of play in the Private League.

Friday the Celts met a power packed Chicago Christian team, which towered over them, and the result was a 94-54 Christian win in Private League play. Earlier in the season Chicago Christian beat the Celts 84-66.

The power and height of Christian was just too much for the Celts whose tallest player measured in at 6-1. Chicago Christian started a pair of 6-6 forwards and Don Noort, 6-9, started at center.

Saturday night the Celts came back with a solid 65-55 win over Private League foe Illiana Christian.

Against Christian Ken Carruthers, 5-10, had the chore of guarding Noort. Carruthers and Joe Prieboy teamed up to limit Noort to 10 points in the first half, but the big center finished the night with 23 points.

Guarding Noort, however, left forward Dave Klaas open and Klaas responded with the games high of 25 points. Providence made a number of early mistakes while the big Knights played almost errorless ball and took an early 17-2 lead. Providence didn't hit its first basket until the game was 3:10 old.

The Celts were outbounded 13-1 in

the first quarter. Prieboy couldn't zero in shooting from his usual corner spot and with Noort in the middle the Celts couldn't get inside to shoot. Steve Gant was high man for the Celts with 19 points.

Against Illiana the Celts found a cold shooting Viking team, as Illiana hit only 21 of 69 from the field and 13 of 29 at the free throw line.

Despite the poor shooting the Vikings were able to overtake the Celts in the third quarter, and it wasn't until 2:11 remained in the game that the Celts moved ahead for the win.

Bob Bravato came off the bench to score 13 points and grab nine rebounds. Gant again led the attack with 21 points, followed by Prieboy with 15.

Providence shot 23 of 64 from the field and hit on 19 of 29 from the free throw line. Led by Bravatos' 7-7. The Celts held a 42-36 edge in rebounds, with Prieboy hauling in 12.

Friday the Celts host League foe Timothy Christian at 8 p.m. Saturday they play at Quigley South in a non-league game.

Oakview tops
Naperville

NEW LENOX — The New Lenox Oakview school wrestling team defeated a strong outfit from Naperville Friday night, Jan. 21, by a count of 41 to 28. At one time New Lenox held a 26-4 lead before Naperville began clicking.

Craig Huttenhoff, 91 lbs., Chip Connor, 123 lbs., Bruce Swanson, 81 lbs., and Paul Nelson, heavyweight, accounted for 24 of their team's points by pinning their opponents.

Two penalty points late in the third period enabled Mark Criscione, 76 lbs., to gain a 2-1 victory. Also aided by penalty points was Tom Nordberg wrestling at 101 lbs. He was able to draw with his adversary and the match was a 4-4 tie. Steve Skiniotes, 86 lbs., also came back in the third period with a reversal to gain a 2-2 tie.

Other winners included John Jackson, 96 lbs., who took his opponent 14-2. Clint Plante, 107 lbs. shut-out his man, 7 to 0. Tim O'Meara, wrestling at 146 lbs. won 11-5.

Jim Steen, 114 lbs. lost by default. Steve Hunt, 116 lbs. and Bill Tyner, 128 lbs., lost on close decisions.

Bob Hancock, giving away eight pounds in wrestling at 136 lb. weight lost on a pin, as did Alan Manns.

The New Lenox Vikings is to host a quadrangular mate meet this Saturday, Jan. 29, beginning at 9 a.m. in the Oakview gym. St. Mary of Mokena, Troy and Morris will be the visiting schools.

Sandburg matmen fail

ORLAND PARK — The Eagle wrestlers of Carl Sandburg ran into two very tough opponents this last week and lost both matches dropping their record to 7-8 overall and 2-3 in conference.

Against conference foe Rich East, Sandburg lost 29-18. Mark Butz, George Little, Dan Presbeterio and John Walker were the winners for the Eagles.

Joe Tholl, who was undefeated in conference, was dealt his first loss in this meet in 155-pound class.

Saturday Coach Don Schultz thought the Eagles wrestled well but didn't get the pins like Waukegan did. Waukegan, the state's third ranked team only gained a split with the Eagles winning six and losing six matches.

Age group tankers
suffer first loss

TINLEY PARK — The Tinley Park Age Group Swim Club, after wins over The Lansing, and Carl Sandburg Age Group Teams, suffered their first loss of the winter season to Willow-Hickory Swim Team on January 19. The score of the meet held at Stagg High School was Tinley Park 303.5 and Willow-Hickory 349.5.

Individual winners from the Tinley Park Team were John Kraus, Tony Milani, Paul Opalacz, Jeffrey Fredette, Rhonda Shaw, Karen Walsh, and Therese Palmer in free style events; Paul Opalacz, Keith Nix, and Vicki Shaw in individual medley events; Brent Deuries, Gary Younger, Mark Opalacz, Jeffrey Fredette, Kelly O'Sullivan and Karen Walsh in back stroke events; John Kraus, Tony Milani, Mark Opalacz, and Vicki Shaw in butterfly events; and Joseph Catalano, Paul Hubbell, Keith Nix, Rhonda Shaw, and Patricia Miller in breast stroke events.

The age 7-8 boys, 11-12 boys and 11-12 girls won both the medley and free relay events, and the 9-10 boys won their medley relay.

Meets yet on the winter schedule leading to a Conference Championship Meet on March 18 include Hinsdale South, Evergreen Park, Riverside-Brookfield, and Thornridge Age Group Teams.

The Tinley Park Age Group Swim Club regained its winning form, surging ahead

St. Marys' matmen 9th at Joliet

MOKENA — On Saturday, Jan. 15, St. Marys Mokena, went to the Joliet Park District Wrestling Tournament at Lewis College, Lockport.

Out of over 300 boys participating in all parts of Illinois, St. Marys placed ninth out of fifteen teams with a one-two finish at 52 pounds. In the championship round Dale Slusarski won over Brian Schofield.

In the 59 pound class Dennis Slusarski was defeated by Tony Olugopolski, West Chicago. Dennis had made it to the championships by taking four matches, all on pins.

St. Marys also had three boys who took a fifth place finish: Pat Geary at 67 pounds who had taken two matches on pins before being defeated, Douglas Slusarski who had won two matches at 85 pounds before getting defeated, and Tim Honiff at 92 pounds who had taken three matches before losing.

Also winning, but not placing in the tournament were: David Hendrickson at 67 pounds who took two matches, and Don Schofield at 59 pounds with one win. David Hovi at 67 pounds who took one win. Matt Bebee at 85 pounds and Chuck Waller at 85 pounds who each took one match, and Jim Sitzburger at 79 pounds who took one match.

Eagle cagers
beaten, 73-62

ORLAND PARK — The Carl Sandburg basketball team saw its three game winning streak skid to a halt on Friday night when they fell to Lincoln-Way by 73-62. In spite of 26 points in the first three quarters by potential all-stater Terry Ryan the Eagles were tied with the Knights at the onset of the final quarter, 52-52.

The final score suggests that the Eagles should have left after the third quarter because the Knights struck quick and opened up the game the widest margin of the evening.

A bad Eagle pass, three minutes into the quarter, gave the Knights the ball and a basket. Then a missed shot by the Eagles led to another Knight score as they began to pull away.

With the exception of the final quarter, the smaller Eagle squad fared very well against the likings of 6'7" Terry Ryan and 6'5" John Pirkio. It was mainly due to the Eagles outside shooting ability by seniors Art Crummie, Jim Koranda and Randy Bengston. Koranda tallied for 20 points. Eagle senior Greg Grimm battled the Knight Giants for eight rebounds.

This week the Eagle's schedule features a two game homestand against Oak Lawn and Eisenhower High on Friday and Saturday respectively. The Spartans from Oak

Lawn features a fine, tall center in Ray Nykaza who was instrumental in defeating the Eagles earlier this season by the score of 60-47.

The Eagle sophomores fared a little better than their varsity counterparts as they left Lincoln-Way with their fourth conference win just nipping the Knights 50-49.

In the back and forth battle, 6-5" Eagle sophomore Dirk Vandermeer made the difference with 20 points. Jeff Crummie added 12 for the Eagles. The victory raised the sophomore overall record to an even 5-5 record.

The main difference was the Bulldogs had four pins among their six wins and the Eagles had none. "I thought we wrestled very well against Waukegan, it was just the pins in the meet that made the difference," said Coach Schultz. Also, "For a team ranked so high we had a good showing, against Waukegan through we just wrestled lousy, that's all, just bad," Schultz said.

Against Waukegan Mark Butz was again a winner at 98 as was George Little at 119. Dan Presbeterio also won both matches over the weekend winning against Waukegan. John Walker, usually very tough, bounced back from his Rich East defeat to win his 132 pound match. Jim Webster also posted a victory at 167.

The team, in general, showed much heart and promise for a group of inexperienced boys.

The next scheduled competition will be held at Oakview School, New Lenox on Saturday, Jan. 29, beginning at 9 a.m. in a quad meet. The scheduled dual meet against Oakview was called off because of weather and a new date has not been set.

St. Marys basketball teams played a wild and wooly set of games against Arbury Hills with the lighweights losing to Arbury Hills by the score of 34-21 on Jan. 14.

The individual point breakdown showed no one running away with high point man. The honors went to J. Mortenson with five, followed by B. Leonard and D. Bernardin both with four points.

Arbury Hills had a notable high point man with J. Lawrence scoring 15 points.

The heavyweight game was a cliff-hanger throughout with the game going into overtime to decide the finish. St. Marys finally came squeezing past by the score of 40-39.

The point breakdown showed G. White leading as high point man with 12 points with B. Hellriegel close behind with 10 points.

St. Marys also faced St. Dennis in conference play with mixed results. The lightweight team won by the score of 33-23.

D. Wilson as high point man scored 14 points. T. Cumbee had 8 points.

St. Dennis had D. Daniels with 8 points as high point man, M. Murray with 6 points.

Eagle tankers win two

ORLAND PARK — Carl Sandburg's swim team has only four seniors. Two freshmen have to swim because there is no one better, and the squad was picked to have a rebuilding year this year.

Well it looks like someone forgot to tell head coach Al Gillberg and the rest of the Eagle swimmers these facts.

The never say die Eagles shocked Homewood-Flossmoor's talented undefeated squad, 56-39 at Homewood last week to put Sandburg on top of the Southwest Suburban Conference with a 3-0 mark. Evergreen Park and Homewood have 2-1 marks.

Against Homewood the diving of Ray Zableski and Jim Mantell, who took

The heavyweight game saw St. Marys lose by the score of 34-44. G. White again was high point man with 12 points. M. Louis had 10 points.

St. Dennis had S. Tusek way in front as high point man with 17 points, followed by D. Pesavente with 9 points. D. Muehlbauer and D. Pastere both with 8 points each.

first and second place honors, broke a 17-17 deadlock and sparked the Eagles to victory.

Andy Merz and Al Gillberg Jr., were first and second in the 200-yard freestyle. Merz posting a 1:56.1. Merz also captured the 100-yard butterfly in 58.5.

Dave Prosen, one of the two freshmen on the squad, won the 100-yard backstroke within 1:01.5.

Gillberg, the other half of the freshmen couple, won the 400-yard freestyle. The win over Homewood at Homewood marked the first time in the school's history that Sandburg has beaten the Vikings at Homewood. The Eagles meet Reavis Friday at Reavis.

LANSING — Scoring their highest point total of the season the Providence wrestling team took an early lead to beat Illiana Christian Saturday 40-30.

The 40 points bettered by one the Celts previous high of 39 which they scored against St. Francis de Sales in December. Providence competing in the mat game for the first time this season is 2-6 in dual meet action.

Providence took a quick 12-0 lead as Chris Curtis pinned at 98-pounds and John Ruettiger pinned at 105. Joe Spangler lost on a pin at 112, but Pat Curtis routed this 119-pound foe, 20-0.

Francis Ruettiger pinned at 126, and Joe Jourtras did the same at 132. Dan O'Connor was pinned at 138, and Bob Spangler won on a forfeit at 145. Providence forfeited at 155, and Jim Langes was pinned at 167, as was Nick Gallo at 185. Bob Lee won on a forfeit at heavyweight.

Saturday the Celtics meet Oak Forest at Oak Forest at 1:30 p.m.

OAK FOREST — The Oak Forest wrestling team won half of the events against Rich East last week, but the Rockets pinned four Bengal men for a 30-2 win. The Sophomore Bengals were wrestling the Rockets Junior Varsity. The four pins by Rich accounted for all but six of the Rockets' points.

In their other outing last week the Bengals beat Stagg 24-20, and now have a season mark of 7-3.

Jim Pauly started things off at 98-pounds against Stagg with a 4-0 win, and Bob Kubat pinned at 105. Scott Carlson was a 7-6 winner at 112, and Tim Gerdes won 4-2 at 126. Gerdes' win came over a Stagg wrestler that had gone into the meet with a 14-0 season mark.

Dave DiPaolo pinned at 145 and Dave Foss won 2-1. Three other Bengal wrestlers lost their matches by a single point.

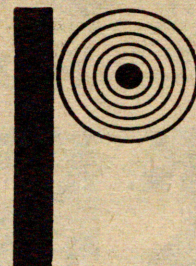

Against Rich Pauly opened with a 4-0 win, Kubat won, 9-0, and Carlson took a 12-0 decision. Gerdes won 4-0 and DiPaolo pinned. Foss ended the teams scoring with a 4-0 win.

Today, Jan. 25, the Bengals host the Kankakee Eastridge varsity at

The Handbell Choir of St. John's Church at Mokena will give a concert this week-end. Members of the choir are (back row, from left) Dennis Burkhardt, Bill Steel, Carol Burkhardt, Bob Steen, Cincy Hinspeter and Tom Homerding; (front row) Pam Warning, Barbara Horra, Sharon Teague, Debby Matteam, Jan Schiekm, Karen Teague and Janet Homerding.

Handbell choir to appear

By Jean Bradley

MOKENA — St. John's United Church of Christ traveling Handbell Choir will hold its winter concert at 7:30 p.m. Sunday, Jan. 30, at the church.

This is the second year for this group which has played for approximately 50 different organizations. In the past 2½ months they have played for the American Association of University Women, the Professional and Business Women of Chicago Heights, Boy Scout Rainbow Council of Joliet, Womens Club of Hazelcrest and Frankfort, the PTG of Arbury Hills and the PTA of Willowcrest school. They also were part of the Christian Youth Center of Joliet's Christmas program.

The money that they received from these groups is given to the members of the Handbell Choir in the form of a scholarship when they graduate from high school.

The members are Carol Burkhardt, Dennis Burkhardt, Cindy Hinspeter, Janet Homerding, Tom Homerding, Barbara Horras, Debbie Matteam, Jan Schiek, Bill Steel, Bob Steen, Karen Teague, Sharon Teague and Pam Warning. The substitutes are Bruce Bettenhausen, Linda Homerding, Dean Hunyady, Joni Schiek and Cheryl Teague.

For the concert they will play The Dance of the Sugar Plum Fairy, Lora's Theme and Swiss Clockshop. Among the religious selections will be The Lord's Prayer, I'll Walk With God and May the Good Lord Bless and Keep You.

In addition to the traveling Handbell Choir, St. John's Church also has two other handbell groups. The fifth and sixth graders make up the Golden Bell Tones and the seventh and eighth graders compose the Carillons.

The members of the Golden Bell Tones are Lori Cady, Brian Davis, Jeff Davis, Mary Kay Erickson, Donna Homerding, Ann Ingemensen, Martin Ingemensen, JoAnn Koerner, Caren Kreml, Elizabeth Kropp, Barbara Manhart and Terry Wilkinson.

The members of the Carillon Group are Carrie Ballou, Bruce Bettenhausen, Don Bettenhausen, Jill Haas, Linda Homerding, Barbara Horras, Dean Hunyady, Ann Ingemensen, Jamie Knierium, Joni Schiek, Jim Steen, Cheryl Teague, Sharon Teague and Craig Warning.

The Junior and Cherub Choirs also will be included in the program. Many of the members of the Carillon and Golden Bell

Tones also are members of the Junior Choir.

The other choir members are Cheryl Ballou, Lori Benson, Bobby Jean Davis, Glen Erickson, Richard Ingstrom, Linda Horras, Karen Ingemensen, Mary Ingemensen, Janet Koerner, David Lee, Leslie Manhart and Linda Zwier.

Everyone is welcome to attend the concert. There is no admission charge but a free will offering will be taken. The proceeds of which will be added to the scholarship fund. Refreshments will be served following the program.

Petitions available

FRANKFORT — Nominating petitions for candidates for the Frankfort Grade School Board are available at the school office, Oregon and Hickory streets.

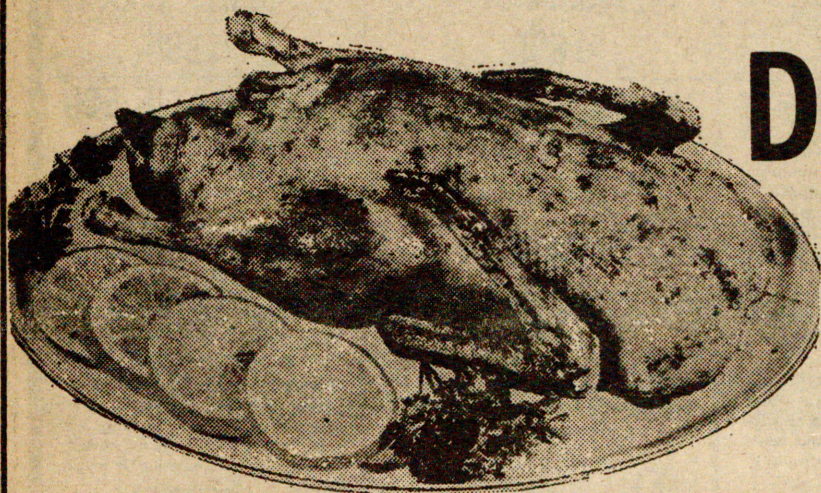

Office hours are from 8:30 a.m. to 4 p.m., Monday through Friday and those same hours will be observed for filing petitions, according to Mrs. Lucille Hansen, board secretary.

First day for filing, she said, will be Feb. 23 and the last day will be March 17. The election will be April 8. Three are to be elected for full three-year terms and one to an unexpired term of one year.
